### Sunday Duty Patrol Rota

September 2018 – August 2019

We all have a responsibility to keep The Den clean & tidy, and to ensure that the boats are bailed regularly, particularly during the winter months. Each Sunday the Scouts and Explorers take it in turns (by Patrol / Division) to be the Sunday Duty Patrol and keep our HQ and equipment running properly. Please make a note of the day your patrol is on duty – it is only twice a year and makes a big difference in keeping our HQ running well.

No duty patrol  
during summer  
holidays

Sunday Duty Patrol starts at 10:30 and lasts for about 1 ½ hours. Where there is a Church Parade on the same day, duty patrol will start on completion.

Wear old clothes and bring a pair of wellies - you may need to go afloat or walk out on the mud to bail boats on the moorings. Please let your PL/DL and section leader know if you can't attend.
