Sunday Duty Patrol Rota

September 2019 – September 2020

We all have a responsibility to keep The Den clean & tidy, and to ensure that the boats are bailed regularly, particularly during the winter months. One Sunday a month the Scouts and Explorers take it in turns (by Patrol / Division) to be the Sunday Duty Patrol and keep our HQ and equipment running properly. Please make a note of the day your patrol is on duty – it is only once a year and makes a big difference in keeping our HQ running well.
